Get involved with Archery!

Archery is a sport to be enjoyed by all people, regardless of almost all sizes and abilities. It is a very safe sport when following the correct procedures. Archery is a sport that has been around for thousands of years, why not get involved?

Here at E.P. "Tom" Sawyer State Park our NASP certified instructors will be offering beginning archery lessons on the correct and safe way to shoot. The students will learn the eleven steps to correctly shoot a bow, laid out by the National Archery in the Schools Program (NASP).

This form is for the April session only. The sessions will consist of four, one hour lessons that will be held in the gym inside the Activities Building. The park will supply all of the equipment needed.
